HARMS OF HALLOWEEN

In an excerpt from a Friday Sermon held on October 29, 2010, Hazur e Anwar(aba) expressed his concern about the adoption of Halloween practices among some Ahmadis and warned against its participation. He explained that Halloween has pagan origins and is rooted in concepts associated with witches and the supernatural, which go against religious principles. The practice involves children dressing up in costumes and going door-to-door for treats to appease spirits, perpetuating beliefs in the supernatural. Hazur e Anwar(aba) emphasized the need for Ahmadis to uphold their dignity and avoid such practices, which he sees as harmful and against the teachings of their faith. He also mentioned that Halloween rituals have negative consequences, including the potential for older children to engage in frightening or disruptive behaviors. Hazur e Anwar(aba) encouraged Ahmadis to strengthen their connection with God and not succumb to Western influences that could lead to hidden shirk (associating partners with God). The excerpt concluded with a prayer for Ahmadis to uphold their faith and meet the expectations set by the Promised Messiah (as).

PARENTS

The upcoming Parent-Teacher meeting is scheduled for Friday, November 17th, 2023!

BRAINY BEES PROJECT

We are thrilled to announce the launch of our new program, aimed at improving the physical and mental health of our students. Starting this month, we have implemented a new gym curriculum that includes a range of exciting activities and even more gym time than before!

ISLAMIC HERITAGE MONTH

As part of the Islamic Heritage Month, the GHQS girls had the opportunity to visit Aiwan-e-Tahir on October 30th, 2023. The girls enjoyed exploring the mosque's architecture, as well as visiting the planetarium, where they learned about the Muslim achievements in astronomy and navigation. They also discovered how Muslims have contributed to the development of medicine, aviation, and cameras, among other fields. One of the highlights of the visit was an Arabic calligraphy workshop, where the girls practiced their artistic skills and expressed their creativity.

REMEMBRANCE DAY

On November 11, Canada remembers those who fought and died in wars and wear poppies as a symbol to commemorate them. We will be having a moment in silence on Friday November 10, 2023, to honour our veterans and value peace at Girls' Hifzul Quran School.

NATURE EXPLORATION

Our GHQS Students got to learn about the Woolly Bear this past month during their outdoor breaks! The Woolly Bear is a caterpillar that undergoes the same lifecycle as any; Eggs > Caterpillar > Cocoon > Moth > Eggs again!
