COURSE DESCRIPTION

This comprehensive Arabic language course introduces students to both spoken and written Arabic, emphasizing its significance as the language of the Qur'ān and Ḥadīth. Throughout the program, students develop conversational skills in Arabic, covering personal, family, and workplace topics. The curriculum includes fundamental Arabic grammar and writing skills, enabling students to compose stories by the course's conclusion. Emphasis is placed on fostering proficiency in listening, speaking, reading, and writing, all while deepening cultural awareness intrinsic to the Arabic language. The course aims to equip students with a well-rounded foundation in Modern Standard Arabic, enabling them to communicate effectively and comprehend the cultural nuances embedded within the language.

LEARNING OUTCOMES

Upon completion of this course, students should be able to:

- develop proficiency in spoken Arabic for personal, family, and workplace conversations.
- acquire basic Arabic grammar and writing skills, including storytelling abilities.
- gain insight into cultural nuances embedded in the Arabic language.
- understand Arabic as the language of the Qur'ān and Ḥadīth within Islamic traditions.
- develop listening, speaking, reading, and writing in Modern Standard Arabic for effective communication.
