COURSE DESCRIPTION

The Holy Prophet^{saw} is reported to have said that the Promised Messiah^{as} would distribute wealth in such abundance that nobody would (be left to) accept it. (*Sahih al-Bukhari, Kitab Ahadith al-Anbiya, Hadith 3448*). This “wealth” is referred to the spiritual insights the Messiah would give to the world.

‘Malfuzat’ are written records of the public conversations of the Promised Messiah^{as} in a question-and-answer format and are the easiest way to understand his books. They refer to the holy and insightful words which he expressed verbally from time to time in his pure and holy gatherings or before congregations at the annual convention, for the purification of his followers and for their spiritual and moral training, thus enabling them to forge a living relationship with God; to teach the knowledge and wisdom of the Holy Qur’ān; to revive the religion of Islām and to establish the shariah of Muhammad^{saw}.

As far as the moral training and the reformation of one’s inner self is concerned, Malfuzat are the greatest treasure. Moreover, these words of his Holiness, on whom be peace, were spoken by him mostly in such settings when he had the education and training of the community in view. This course aims to unravel the depth and significance of the Malfuzat, providing a profound understanding of the spiritual teachings and insights imparted by the Promised Messiah^{as}, fostering spiritual enlightenment and moral elevation among its participants.
