O YE WHO BELIEVE! BE STEADFAST IN THE CAUSE OF ALLAH, BEARING WITNESS IN EQUITY; AND LET NOT A PEOPLE'S ENMITY INCITE YOU TO ACT OTHERWISE THAN WITH JUSTICE. BE ALWAYS JUST, THAT IS NEARER TO RIGHTEOUSNESS. AND FEAR ALLAH. SURELY, ALLAH IS AWARE OF WHAT YOU DO.

(AL-MA'IDAH : 9) (QUOTED BY HAZRAT KHALIFATUL MASIH V (ABA) IN FRIDAY SERMON AUGUST 9, 2013.)

## BEYOND MEMORIZATION

On December 20, 2023 'Aisha Academy Canada (Talim Department) in collaboration with the Boys' Hifzul Qur'an School held a webinar for the parents of current and prospective Hifz School students. Students go through many challenges during the period of memorization of the Holy Qur'an. In this webinar, parents learned of these challenges and how to manage and support their children. Here are some pointers that were made during the webinar to support the mental and physical well being of your children:

- Ensure that your children follow a daily routine, incorporating sufficient rest, proper nutrition, and regular physical activity.
- Maintain a sense of normalcy at home, especially if you have non-hifz children, by aligning everyone's routines as closely as possible.
- To prevent any feelings of exclusion, strive to maintain a similar routine for all family members.
- To boost morale and foster your children's enthusiasm, engage in casual discussions with them regularly about the blessings of their Quran memorization journey.
- Recognize that both students and parents make sacrifices in this endeavor, and it's crucial for parents to wholeheartedly support their children, even if it means sacrificing social gatherings.
- Allow students some free time for themselves, and be attentive to your children's needs by listening and providing support as requested.
- Stay in constant communication with their teachers and schools during the transition to ensure a smooth academic experience.
