LETTER TO ḤUḌŪR^{aa}

Ahmadis worldwide are blessed to have the institution of Khilāfat as our guiding light. Currently under the leadership of Khalīfatul Masīḥ V (aa), our community is being guided through a period marked by significant global skepticism and hostility towards Islam. With the technological advances of this day and age, it is easier than ever to connect with our beloved Khalifa to express your heartfelt sentiments and request for prayers. We encourage you to visit our online platform at <https://letters.ahmadiyya.ca/> to send Ḥuḍūr (aa) a letter.

YAUM-E-MUSLEH- E-MAU'ŪD^{ra}

During Yaum-e-Musleh-e-Mau'ūd (ra), the community commemorates a prophecy where God Almighty pledged the Promised Messiah (as) a son with extraordinary qualities, destined to carry forward his mission. This son, named Ḥaḍrat Mirza Bashir-ud-Din Mahmud Ahmad (ra), was born on January 12, 1889, as predicted on February 20, 1886. After the passing of Ḥaḍrat Khalīfatul Masīḥ I (ra), he assumed the mantle of Khilāfat, signifying the fulfillment of the prophecy and the dawn of a spiritual transformation. On February 20, 2024, the staff and students of GHQS gathered to honor this occasion. The program started with Tilawat, followed by a nazm, and the recitation of the prophecy by GHQS students. The event continued with two speeches—one delivered by a student and the other by a teacher. Students were then rewarded with chocolate for correct answers to questions. The event concluded with a silent prayer and the serving of a specially ordered cake.

HE WILL BE EXTREMELY INTELLIGENT AND UNDERSTANDING AND WILL BE MEEK OF HEART AND WILL BE FILLED WITH SECULAR AND SPIRITUAL KNOWLEDGE.

5-PARA ASSESSMENT

By the Grace of Allah, GHQS has transitioned from the Semester Exam system to the 5-Para Assessment. This new approach enables students to take assessments as soon as they feel prepared. InshAllah, this method will allow students to have a unique and positive learning experience and will improve their memorization.

RAMADHAN

The month of Ramadhan will begin on Monday, March 11, 2024. Ramadhan is known as the month of prayers and blessings. It is obligatory for every healthy, non-traveling Muslim to observe fasts throughout the month. Additionally, everyone should dedicate time to self-improvement and aim to draw closer to Allah during this Holy month. The month of Ramadhan also carries some special attributes. One of these are:

The opener of Paradise. Abu Huraira (ra) relates that the Holy Prophet, may peace and blessings of Allah be upon him, said that from the first night of the month of Ramadhan, satanic forces are chained, rebellious elements are disciplined, and the shutters of Hell are drawn without exception. All the gates of Paradise are opened and a crier shouts: O the seeker of righteous deeds proceed, and O the recliner to evil intentions desist, many sinners are granted amnesty from Hell and this occurs every night of the month". (Bukhari and Muslim).
