GHQS FIELD TRIP

At the start of the new year, the students from Girls' Hifzul Qur'an School set off on an exciting and interactive field trip. Playtopia graciously opened its doors to the girls, providing them with the opportunity to bounce on trampolines, tackle obstacles in the playground, and enjoy the arcade. The day was brimming with companionship, collaboration, and a collective effort to ensure that everyone experienced the happiness of the moment.

PROGRESS REPORTS

Every month, GHQS students are given progress reports to take home and review with their parents. These reports provide insight into the student's status and strengths, as well as areas for potential improvement. It's essential to read and discuss these reports to develop a plan for growth and progress.
